

## PE and School Sport Annual Plan 2018 / 19

### Primary School's Vision Statement for PE and School Sport 2018-2019

At Bringhurst Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better. We are committed to using this resource in developing high quality PE lessons, improving the health and wellbeing of our students, alongside greater opportunities for sporting competitions and clubs for all our young people.

### Key aspiration for 2018/19

To achieve Gold School Games Mark for the second year running.

### Primary objectives for 2018/19

1. Engage at least 50% of KS2 pupils in extracurricular sporting and physical activity every week.
2. Target a minimum of 12 least active young people in the school and ensure 25% uptake weekly physical activity over a term by the end of the academic year.
3. Provide / enter a minimum of the following competitions:
  - 7 intra-school competitions
  - 6 inter-school competitions
  - 1 'B' team at an inter-school competition

Percentage of current Yr6 children who can swim 25m or over?	90%
--	-----

### Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as per the annual census. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £1,000 per pupil.

Total no of primary aged pupils between the ages of 5-11	141
Total amount of Sport Premium Grant received	£17,320

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium funding to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years

### Evidencing the Impact of the School Sport Premium

The following guidelines outline what Ofsted Inspectors will be looking for upon their visits. For every 'Action' that you as a school offer your children, you must ensure that you can evidence it against the criteria below. Please use the numbers below as a 'key' in the 'requirement achieved' column.

Inspectors have been asked to consider the impact of the new primary school sport funding on pupils' lifestyles and physical well-being by taking into account of the following factors:

1. Increase participation rates in such activities as games, dance, gymnastics, swimming and athletics;
2. Increase knowledge of teachers within the subject area through CPD, team teaching and access to resources;
3. Increase, amount and success in competitive school sports both inter and intra school;
4. More inclusive physical education curriculum;
5. Growth in the range of provisional and alternative sporting activities (new sports);
6. Improved partnership working on physical education with other schools and other local partners (School Sport Associations, NGB's, County Sports Partnerships, clubs etc);
7. Links with other subjects which contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills;
8. Greater awareness amongst pupils' around health and wellbeing e.g. dangers of obesity, mental health, smoking and other such activities that undermine pupils' health.
9. Improved physical education lesson planning and pupil assessment.

At Bringhurst Primary School we have planned to spend the sport premium funding on the following in order to achieve our vision for PE and school sport:

## Planned Sports Premium Spend 2018 – 19

Action	Description	Cost	Expected, measurable outcome & timescale	Area of evidence (1–9)
