
Sport Premium Overview

Primary School's Vision Statement:

"Broadening Horizons"

At Bringhurst Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We are committed to using this resource in developing high quality PE lessons, improving the health and wellbeing of our students, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

Total no of primary aged pupils between the ages of 5-11	128
Total amount of Sport Premium Grant received	£8640

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

Bringhurst Primary School Sports Premium Funding 2016-17

Evidencing the Impact of the School Sport Premium

The following guidelines outline what the Ofsted Inspectors will be looking for upon their visits. For every 'Action' that you as a school offer your children, you must ensure that you can evidence it against the criteria below. Please use the numbers below as a 'key' in the 'requirement achieved' column.

Inspectors have been asked to consider the impact of the new primary school sport funding on pupils' lifestyles and physical well-being by taking into account of the following factors:

1. Increase participation rates in such activities as games, dance, gymnastics, swimming and athletics;
2. Increase knowledge of teachers within the subject area through CPD, team teaching and access to resources.
3. Increase, amount and success in competitive school sports both inter and intra school;
4. More inclusive physical education curriculum;
5. Growth in the range of provisional and alternative sporting activities (new sports);
6. Improved partnership working on physical education with other schools and other local partners (School Sport Associations, NGB's, County Sports Partnerships, clubs etc);
7. Linked with another subject which contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills;
8. Greater awareness amongst pupils around health and wellbeing e.g. dangers of obesity, smoking and other such activities that undermine pupils' health.
9. Improved physical education lesson planning and pupil assessment.

At Bringhurst Primary School we have planned to spend the sport premium funding on the following in order to achieve our vision for PE and sport.

Bringhurst Primary School Sports Premium Funding 2016-17

2016 - 2017				
Action	Description	Total cost	Expected, measurable outcome and timescale	Area of evidence (1 – 9)
